Everything Matters

Dear Potential Sponsor,

The Board of Trustees are soliciting sponsorships for our 2021 Pink Clover 5K Run, Virtual Run, and 1M Walk scheduled for Sunday October 24th at Washington Lake Park in Sewell NJ, to benefit women who are struggling while dealing with the affects and treatment for breast cancer.

Colleen Sorbello Breast Cancer Foundation DBA Pink Clover is a locally based and nationally known 501(c)3 nonprofit charity focused solely on women's breast cancer. Our mission is to fund research, provide education, and most importantly to provide comfort. Pink Clover is an exempt charity EIN number 47-4415194. Two things we will always assure you, no one at Pink Clover is compensated, and we will always show you where the money goes.

We are thankful for your consideration and for our dedicated volunteers. Your willingness to help the women who have been affected by breast cancer is instrumental to our mission. The services we provide are at no cost to the women because of your generous support.

Sincerely,

Sam Sorbello
